

SUSPIRE and InnoVa Innovation Forum

Energetic valorization of organic residues: Experiences and innovation

23. & 24. June 2022, Centre of Biotechnology of Sfax

Thursday 23. June, Hotel Occidental Sfax Centre

10:00	Registration
10:30	Session 1: Opening/Greetings/Introduction Moderation: Prof. Slim Tounsi, General Director of CBS
	Prof. Abdelwahed Mokni , President of the University of Sfax
	Mr. Fakher Fakhfakh , Governor of Sfax
	Mr. Mounir Elloumi , Mayor of Sfax
	German RETech Partnership Prof. Sven Geissen German Water Partnership
11:20	Session 2: Waste management Moderation: Prof. Latifa Bousselmi 15 presentation + 5 min discussion
	Mr. Hubert Wienands , EU Welle Mechanical biological waste treatment – examples in the MENA region
	Mr. Leon Jaeger , Nehlsen-Rodiek Impact of collection and sorting on organic waste valorization options
	Mr. Peter Scherl , Thöni Umwelttechnik Organic waste treatment and energy production with anaerobic digestion technology
	Mr. Isidro Oviedo , Delta Umwelttechnik Conversion of organic residuals for CO ₂ fixation
	Dr. Bernd Morawe , Technocon GmbH High-performance anaerobic treatment of organic waste and sludge–full-scale applications
13:00- 14:00	Lunch
